

# Potato Partnership Program

# Introduction

We are thrilled to announce The Potato Partnership Program, we will be giving 100 billion Potato to content creators that create content that highlights the Potato token or the Potato NFT.

## How to Qualify

The 100 billion Potato tokens will be distributed to all content creators. To qualify all you need to do is create some type of content (you have freedom here) about Potato or the Potato NFTs. This content can be in the form of a youtube video showing how to use the PotatoDex or an article that takes about what Potato/Potato NFTs is/are. You have complete freedom!!.

## Where to send submissions

Submissions should be sent to [potatocoinspl@gmail.com](mailto:potatocoinspl@gmail.com) with the following details.

Title: Potato Partnership Program

You must include a link to the content you have created about potato and please try to provide a brief one sentence description about your created content.
